Analysis by the Legislative Reference Bureau

HEALTH AND HUMAN SERVICES

CHILDREN

Under current law, no person may for compensation provide care and supervision for four or more children under the age of seven for less than 24 hours a day unless the person obtains a license from DHFS to operate a day care center. To obtain a license to operate a day care center, a person must, among other things, meet the minimum requirements for a license promulgated by DHFS by rule. Current law also authorizes DHFS to inspect and investigate day care centers and to impose certain sanctions and penalties on a person who operates a day care center without a license or who violates a provision of licensure or a minimum standard for the operation of a day care center promulgated by DHFS by rule.

This bill transfers from DHFS to DWD the authority to license day care centers, to promulgate rules establishing minimum requirements for day care center licensure and minimum standards for day care center operation, to inspect and investigate day care centers, and to impose sanctions and penalties for operating a day care center without a license or for violating a provision of day care center licensure or a minimum standard for the operation of a day care center.

Under current law, before DHFS may issue a license to a day care center that provides care and supervision for nine or more children, the day care center must pay a biennial fee of \$30.25, plus a biennial fee of \$8.47 per child, based on the number

of children that the day care center is licensed to serve. This bill increases that per child fee to \$16.94.

For further information see the *state* fiscal estimate, which will be printed as an appendix to this bill.
